

Naturalist Requirements

Do this:

1. With your parents, guardian, or Webelos den leader, complete the Respect Character Connection.
 - a. Know: Tell what interested you most when completing the requirements for this activity badge. Tell what you learned about how you can show appreciation and respect for wildlife.
 - b. Commit: Tell things some people have done that show the lack of respect for wildlife. Name ways you will show respect for and protect wildlife.
 - c. Practice: Explain how completing the requirements for this activity badge gives you the opportunity to show respect.

And do five of these:

2. Keep an "insect zoo" that you have collected. You might have crickets, ants, or grasshoppers. Study them for a while and then release them. Share your experience with your Webelos den.
3. Set up an aquarium or terrarium. Keep it for at least a month. Share your experience with your Webelos den by showing them photos or drawings of your project, or having them visit to see your project.
4. **Visit a Museum of Natural History, a nature center, or a zoo with your family, Webelos den, or pack. Tell what you saw.**

Geologist Requirement #8 - Take a field trip to a geological site, geological laboratory, or rock show. Discuss what you learned at your next Webelos den meeting.
5. Watch for birds in your yard, neighborhood, or town for one week. Identify the birds you see and write down where and when you saw them.
6. Learn about the bird flyways closest to your home. Find out which birds use these flyways.
7. Learned to identify poisonous plants and venomous reptiles found in your area.
8. Watch six wild animals (snakes, turtles, fish, birds, or mammals) in the wild. Describe the kind of place (forest, field, marsh, yard, or park) where you saw them. Tell what they were doing.
9. Give examples of
 - A producer, a consumer, and the decomposer in the food chain of an ecosystem
 - One-way humans have changed the balance of nature
 - How you can help protect the balance of nature

10. Identify a plant, bird, or wild animal that is found only in your area of the country. Tell why it survives only in your area.

11. Learn about aquatic ecosystems and wetlands in your area. Discuss with your Webelos den leader or activity badge counselor the important role aquatic ecosystems and wetlands play in supporting lifecycles of wildlife and humans.

12. **Look around your neighborhood and identify how litter might be dangerous to the birds and other animals. Clean up the litter. Identify what else you might do to make your neighborhood safer for animals.**

Outdoorsman Requirement #6 - Participate in an outdoor conservation project with your Webelos den or a Boy Scout troop.

Citizen Requirement #8 - As a Webelos Scout, earn the Cub Scout academics belt loop for Citizenship. At a Webelos den meeting, talk about the service project Good Turn that you did.

Complete these three requirements:

1. *Develop a list of jobs you can do around the home. Chart your progress for one week.*
2. *Make a poster showing things that you can do to be a good citizen.*
3. *Participate in a family, den, or school service project.*

13. **While you are a Webelos Scout, earn the Cub Scout Academics belt loop for Wildlife Conservation.**

Complete these three requirements:

1. *Explain what natural resources are and why it's important to protect and conserve them.*
2. *Make a poster that shows and explains the food chain. Describe to your den what happens if the food chain becomes broken or damaged.*
3. *Learn about an endangered species. Make a report to your den that includes a picture, how the species came to be in danger, and what is being done to save it.*
